OUR BLESSING TO THE YEARS

We thank and bless the passing year of 1957—
Whose purifying Grace has lifted Earth much nearer Heaven!
We're grateful for her sunny days—as well as those of showers—
For nights of peaceful slumber which revealed God's healing powers.

We're grateful now for every gift that '57 brought—
For all the miracles of Faith that Her God-power has wrought;
For greater understanding among the sons of men—
Which will reveal to all World-Brotherhood again.

Upon the blessed Spirit of this year Who's run Her course
We call Love's richest blessings from Gratitude's Own Source.
Let Her in Heavenly Love arise! While we, evolving here,
In faith renewed, reconsecrate our lives to Freedom dear!

O, 1958—such hope now fills our heart and soul
That in Your span we only live in perfect God-control.
Ring out the old—ring in the new—commanding all that's here
To purify and thus raise Earth in Vict'ry—FREE THIS YEAR!

THE BRIDGE TO FREEDOM

A Monthly Journal Devoted to Individual Unfoldment, Contact with The Great White Brotherhood and Cooperative World Service

Volume VI JANUARY, 1958 No. 10

To the New-born and Beautiful Spirit of 1958:

We send Our greetings, blessings and gratitude for another year of OPPORTUNITY to serve the evolutions in the Earth, on the Earth and in Its atmosphere, until the Planet Itself and all such evolutions are God-free, expressing the perfection of "Freedom's Star."

Dear Spirit of 1958, We thank you for allowing Us such oppor unity to continue in Our redemptive process for those energies, misqualified by those who have used the Earth as a school-room through the ages.

As You unfold Your Wings of Light and expand Your radiation around the sweet Earth, We do decree that We shall secure such assistance from every unascended member of the human race, all imprisoned Angels, Elementals and every living thing, that it will enable You to wear the Crown of Victorious Jesus Christ Accomplishment and present the Earth and Its evolutions to the Ascended Master Saint Germain as His Own Star of Light within this twelve-month period! So be it!

The Homes and Retreats of The Masters of Wisdom

RESURRECTION TEMPLE OF JESUS AND MARY

January 15 through February 14, 1958

Due to the extreme kindness and courtesy of the New Lord of the World, Beloved Gautama and also due to the accelleration of the entire Earth's evolutions, We are aware of the Sponsors for 1958 at an earlier period. This enables Us to include the article of the Homes and Retreats of the Masters of Wisdom, together with Our Lord Maha Chohan's letter to the Transmission Flame Class in this issue, instead of Our preceding procedure of issuing a Supplement to the January "Bridge." For such "advance" material We are so grateful and we know you are too!

Beloved Vista (Elohim of the Fifth Ray) and His Divine Complement Crystal, together with Beloved Archangel Gabriel and His Divine Complement, Hope, are the Sponsors for 1958.

Therefore, we have secured permission to announce that the first Retreat to be opened in 1958 is the Resurrection Temple of Jesus and Mary, in which Beloved Gabriel and Hope will also serve for this period. As you will note by the contents of this issue of "The Bridge", 1958 will be predominantly dedicated to the awakening of mankind to the reality and existence of the Angelic Host. Lord Gabriel, Who holds the Immaculate Concept for everyone of the ten billion lifestreams belonging to this Earth's evolutions, offered to assist the Holy Christ Self of each lifestream to awaken within them a remembrance of the Angelic Host and man's previous association and joyous service with Them. Beloved Hope, Who—as Her very Name implies—is a resurrecting power through all the energies toward which She directs Her attention, is also eager to give the assistance which the Cosmic Law demands NOW in mankind's conscious acceptance of the

Angelic Host as co-workers with the people of Earth and all who are to use the Earth as a schoolroom in the future.

The restoration of the power of the Holy Christ Self of every man to express freely through his outer consciousness is essential to the progress of the race. Hope of an established Kingdom of Heaven *right here on Earth* is also essential for the stimulating of mankind's enthusiastic endeavors to lovingly co-operate with God and His Divine Messengers in the bringing about of such a glorious and permanent Golden Age.

Lord Gabriel *knows* the destiny of every man! The pressure of His Love will help the earnest and sincere chelas to much more quickly outpicture that Divine Destiny. Beloved Hope *knows* that the feelings of discouragement, disintegration, decay and even "death" itself, which lie like a pall upon the souls of men, must be transmuted by Her buoyant energies which will sustain them until, individually and collectively, they have outpictured the perfection of the Divine Plan for the people of Freedom's Star.

Beloved Jesus and Blessed Mary have offered the hospitality of Their Retreat to the students at this time, in order to co-operate with the spirtual stimulus required to move forward in 1958 with confidence, happiness, expectancy and joy!

You all have the descriptions of the beautiful Resurrection Temple of Jesus and Mary in previous issues of "The Bridge to Freedom". Each visitation which you make there in consciousness strengthens your *feeling* of the power of resurrection of all the glory which you knew with the Father before this world was. Your "Sponsors" from this Retreat Who will be assigned to you by Blessed Gabriel for this thirty day period, are all very handsome Gentlemen of His Own Court. They will come at your bidding; remain with you as long as you desire Their assistance and, at your dismissal, return to resume Their services in the Resurrection Temple.

Anticipating a year of Hope fulfilled in manifest service and of Divinity expressed through the children of Earth, I shall await your presence at the Resurrection Temple where We shall join together in honoring the Resurrection Flame and Our Hosts, Jesus and Mary, Beloved Gabriel and Hope.

I Am—always your obedient servant,

EL MORYA

Excerpt from an Address by
BELOVED ARCHANGEL RAPHAEL
(On: Constant Readiness for Service)

(Address continued from Nov. 1957 issue)

Sept. 26, 1957

It has been Our endeavor and it has been the direction given to Us for this Class, to charge into the emotional, mental and physical consciousness of mankind OUR FEELING OF JOY IN SERVICE so that the sense of duty—the sense of service bound around by fear; the sense of service because it is a habit—is replaced by an intelligent, receptive, pliant, buoyant, joyous consciousness. Such a consciousness, upon the very spur of the moment, can receive the God-direction from the individualized "I AM" Presence or any Divine Being in the Universe and then be pliable enough to act upon that God-direction, no matter what it does to the habits and patterns which form the course of daily living.

Beloved ones, mankind and you who are consecrated to serve life, have no consciousness yet as to how habit-bound your lives are. You arise at a certain time; you make your application at a certain time; you bathe and dress at a certain time; you eat at a certain time; and you have activities planned for your day (of a constructive nature—true) but every little portion of your day is fitted into place as you would fit your mosaic into a tile floor. Then you feel that you are very orderly persons in having such a set pattern which is constructive.

Now, because the currents which flow through the Cosmos are such that even We or the Solar Lords Themselves do not always know in advance just what opportunities may present themselves which can be of blessing to the Earth at a given moment, We are dependent upon the ability to instantly contact unascended lifestreams who are Our chelas and who have already designed their day—these chelas who are willing to accept Our words in the outer mind. Now here is the test of pliability—the test of holding the balance of harmony when the entire mosaic of the individual's world is disturbed (shall we say, in regard to your carefully laid pattern). Then everything so planned must be laid to one side in order that We may be able to avail Ourselves of a Cosmic current for the blessing of the individual chela, as well as Earth's entire evolutionary scheme and the entire Galaxy *at this time!*

Complete Self-surrender is "Listening Grace"

Now, beloved ones, you are earnest, you are honest, you are sincere and you are selfless (you think) but you have yet to learn

the great self-surrender which is the "watchword" of the Fifth Ray upon which I serve. The service of this Ray requires of every truly consecrated man and woman the state of "listening grace" of which My Beloved Mary has spoken to you so many times—the discernment to be able to lay aside important matters—even the drawing forth and presentation of the Beloved Morya's Activity, if necessary. You must learn, beloved ones, to accept a difference in your pattern of rising, sleeping, eating and dressing and be *always ready*—like the Selfless Ones. You have been told that the children of Shamballa have no place to lay their heads (which really means, no "set place" to abide).

The Children of Shamballa are those who are so free emotionally of family ties and obligations; so free mentally of the concrete pattern of daily living; so free etherically of resentments and rebellions against the changing of a pattern and so free physically through the disciplines of the physical self, that the vehicles can joyously respond and be moved from place to place upon the great service of the Earth as the Master may require a physical vehicle as a magnetizing center upon an instant's notice.

Now all through the centuries We have dealt with unascended beings who, first of all, have karma untransmuted from the past; second, have a great amount of logic and reasoning and they have to think over and ponder the reason and efficacy of a move until the Cosmic moment has passed and the Great Cosmic Current which We have endeavored to anchor through such an one, is gone into another Galaxy. We have had to deal with earnest and sincere chelas whose emotional bodies like "sameness" and, beloved ones, as you pass on through the course of years, your physical vehicle becomes "set" into a pattern which is the result of the use of your energy (life). When that pattern is changed, the physical vehicle and the Body Elemental are not always responsive, although your hearts light is!

Now We deal with a Cosmic Scheme. The Archangels and the Archaii paint truly upon a Cosmic canvas. We have, thank God, insight into the Divine pattern and plan of the Universal Scheme and We see, for instance, in the moving of a great Solar Body through the Heavens—We see that there may be—for a twenty-four or forty-eight hour period—a tremendous radiation from this Solar Body which does not belong to Helios and Vesta and this Universe. We see that that benediction and blessing can be magnetized and be made part of the redemptive process of Earth IF We can reach unascended lifestreams—sincere chelas—*in time!* Then, if they will put down their pencils and pens for a moment and seize upon that energy, drawing it into the atmosphere of Earth, it then becomes a permanent part of the Planet Itself.

Conscious Call from Earth Required

Now I can tell you that, through the ages, while I have served in this capacity as Archangel of Consecration and Concentration, literally millions of these beautiful Solar Beings, Cosmic Beings and Interplanetary Emissaries have passed in the vicinity of Earth on a mission which originally did not include a particular benediction or stopping place upon the Earth at all. When there was in incarnation upon the Planet Earth *even* ONE unascended lifestream whom We could contact and who would, of himself, prepare and reach up to that Envoy—that Divine Being invariably stopped in Solar flight and a portion of the benediction which He was carrying, maybe to an entirely different Galaxy, was poured down to Earth according to the magnetizing power of the "Cup" which is the consciousness of the chela We have contacted.

However, for the ONE for whom We have been able to make such an appointment, there have been millions of These Great Beings Who have swept through the Cosmos in the vicinity of Earth and have not been able to give Their blessing here. You see, These Beings are absolutely obedient. First, They have a mission; second, They have a goal to which They are going and They have no particular reason for releasing Their blessing unless it is ASKED FOR by some unascended member of the Planet in the vicinity of which This Cosmic Being travels.

Therefore, you can see that INSTANTANEOUS READINESS is absolutely essential to Our being able to use the consciousness of Our chelas—*especially at this time.* We are now dealing not only with the redemption of this Planet's evolutions, but We are dealing with the forward movement of an entire Galaxy. For this reason the Intersellar Highways between the Galaxies (even as far as Alpha and Omega in the Great Central Sun) are now open and the Cosmic Emissaries Who travel between the Suns of the System are often enroute from one Star to the Other.

Now, We would like to be able to seize upon as much of this Light as possible—this Light which is flashing backward and forward and yet shut out from the Earth and Her people by the protective "Ring-pass-not" of Blue Flame which had to be created so that the discords of the Earth would not pollute interstellar space. It would be so wonderful and of such great assistance to Us if you would try to prepare yourselves to magnetize such Beings. If you would care to do so, you could so make your call at the beginning of your group endeavors (and personal application as well), offering all the energies released during those activities to your own "I AM" Presence, to the Ascended Masters and Ourselves, offering it to be used as a magnet to so draw these blessings.

This is a completely separate activity from that of dedicating your meetings or personal application to a specific God-being Whom you know by Name. This which We are now asking you to do is to gather in *Solar Forces* which would otherwise pass the Earth by and which, by magnetization, can be utilized in this majestic process of redeeming the Earth and Her evolutions.

Please do not change your pattern of dedicating your meetings to specialized Beings of Whom you know and Whose radiation you thus draw in, through and around you, but you are to remember that the great *"unknown"* Divine Intelligences are also passing through Intersellar space and Their radiation is available to you upon conscious request.

May We also suggest that the magnetizing of these Great Beings *depends also upon your releasing a confident, positively qualified energy* in your songs and decrees (either personally or in groups) for a luke-warm, slightly interested feeling released when participating in the group activities could not possibly draw the interest of such a Cosmic Being. Do you see?

Let us see how many of these Great Solar Lords and Cosmic Messengers We can draw into Earth's atmosphere from now on—Beings Who will greatly assist the Earth's freedom by the gifts which They are so willing to give; for They are always looking for opportunity to expand Their light!

Incidentally, in the past, We have sometimes used your energies to call for such assistance—even without your conscious knowledge of Our having done it. However, the requirement now is that you *consciously* make the call for this blessing.

May I tell you that already, today, while this meeting has been in session, We have been able to magnetize the Presence of a Great Solar Lord of the Fifth Ray Who has now entered the Earth's atmosphere. At Our request for His visit to Earth today to give His blessing, He has contacted His Superior upon the Sun from whence He has come, and has obtained permission to stay with Us for the rest of this four-day Class. He is a guest of your Beloved Adelphia, the Great Cherubim in charge of your "force-field" here.

My Beloved Mary (Mother of Jesus and Twin-Flame of Beloved Raphael) and I leave with you the limitless blessings of Our Love and Light—all ways!

(NOTE: During the Class, there were four such Beings drawn—one belonging to each of the Rays represented by the Archangels of the days—(Raphael, Uriel, Zadkiel and Michael). These blessings are, of course, eternally sustained and ever-expanding.)

An Address by
BELOVED ARCHANGEL URIEL
(On: Cultivation of "Listening Grace")

Sept. 27, 1957

Beloved ones, there are many God-blessings available to mankind which he could have and enjoy if he knew of them; as well as Ascended Master and Angelic Friends Who can and will release those blessings into his experience—*at his conscious call!* I KNOW —because in the activities of Ministration, We work with the Silent Watchers Who abide over every city, State, Nation, Continent and the Planet Itself. Of course, these Divine Beings neither slumber nor sleep and are therefore ever cognizant of the needs of the life evolving within the scope of Their watchful care.

One of the very simple ways by which mankind could open their worlds to the greater blessings of and from the Godhead to them would be by cultivating, using and expanding the *feeling* of sincere gratitude for blessings *which they are already enjoying!* You see, mankind's conversation with God (their prayers) usually consist not of gratitude for what they have, but of such statements as: "Dear God! Why has this happened to me?"; "I need help here". etc. Most of their prayers are truly cries of pain and distress and there are very few honest and earnest prayers of thinksgiving for the constantly flowing *fundamental gift* of life, as well as the benefits thereof.

Now, looking upon mankind and seeing how much Grace has been given them by the Beloved Neptune alone, in keeping the waters of the Planet purified—keeping them clean as he has; also by His holding them in check and governing the Undines so that they render the most perfect service possible; Virgo's constant release of the substance of Her Being to create harvest after harvest; through Aries' tremendous activities of moving the clouds from place to place and releasing the waters in the form of rain when and where needed; as well as purifying the air by the mighty Sylphs Who have served mankind for ages—"unknown, unhonored and unsung"; to say nothing of the governing of the fire element by the Beloved Oromasis to transmute that which has served its purpose and therefore is needed no longer. Without this assistance of the fire element, mankind would quickly smother in the midst of their own accumulations of discarded substance especially in the densely populated cities of the globe. All of these Beings of Nature and Forces of the Elements have served mankind for ages—"unknown, unhonored and unsung" and have assisted them from the time the "Holy Innocents" first took embodiment upon this Planet. All this is the benediction to man by God through these great Intelligences Who, individually and voluntarily, have foresworn the joys of the higher levels of consciousness in order to help the Earth's evolutions.

With all Our hearts, We call now that the veil of maya may be quickly parted enough so that mankind will be able to see and know something of the blessings which he has been taking for granted for so long. Then will he begin to release more and more Grace *in the feeling of gratitude* for gifts *so freely given*—gifts which make it possible for everyone who lives upon this Planet Earth to even have a foothold upon It. In fact, through the loving Grace of Sanat Kumara, Polaris and Magnus, (the light from Whose hearts forms the very axis of the Earth Itself), this Planet has been sustained in Its serice to life—which service has been and still is to provide a "schoolroom" for the life evolving upon Her.

Real Gratitude to and For Life is Grace in Action

Now, the cultivation of Grace (which is the primary activity of My Divine Complement, Donna Grace), is a very wonderful pursuit. Grace always begins to manifest as a *feeling* of thanksgiving. A graceless person is a very unpleasant one with whom to associate. You know that it was said of Holy Mary, the Mother of Jesus, that She was always "full of grace". In your case and in the case of all those who represent the Ascended Master Saint Germain (one of the most grace-full and gracious Beings in all the Universe!) I do ask that you all—individually and collectively—begin to endeavor to really *enjoy* invoking the spirit of Grace from My Beloved Donna Grace. Try to be grateful for *something* every moment of the day. Try to find perhaps just one small thing in every life you contact for which to be grateful and in every activity of the day in which you engage. Doing this, gradually you will come into a state of Grace which, by the way, *is not a state of mind*—but a feeling!

Throughout the centuries which have been, there have been courtiers and various individuals occupying diplomatic posts, representing various nations. These individuals go through all the motions of Grace but, behind their actions is so often the motive of self-preservation or self-aggrandizement. Therefore, those individuals are not the "diplomats without guile" of which your Beloved Saint Germain has often spoken—these are hypocritical! So, you may say "thank you" a thousand times—in many ways; you may open the door for another like a real gentleman and say: "God bless you" but, if the motivating feeling within you for doing the act is not that of genuine love and gratitude to life for

the existence of the other lifestream and his endeavors to promote and expand the activities of God (good) upon this Earth, then *all your words of simulated Grace are as nothing!*

However, when the feeling of Grace is released *from within the heart,* it really makes the hand-shake, the blessing, the benediction or even the small favor, a gift from God Himself and the receiver feels that! You cannot deceive the feeling world of another individual unless he or she is under the influence of that destructive humanly created entity of flattery.

On the other hand, if the individual is honest, earnest and sincere and has been shorn of the capacity to allow flattery to swerve him from his purpose, the lifestream releasing the feelings of Grace does reach the heart of the other—there finding an anchorage in the world of the one who seeks love, comfort and encouragement along Life's Way. Thus the blessing one is able to give his benediction.

Call for Feelings of Sustained Grace

Constantly sustained feelings of Grace create a beautiful world in which to live. When you and We come together in your group activities (and particularly when the Ascended Master gives an address), for an hour or so you are in Our radiation and, therefore, in a state of Grace—at least as long as the address is being given, the songs being sung and the visualizations held. However, almost as soon as Our radiation ceases to directly pour, you go back into the vibratory action of your accustomed consciousness—that which was familiar to you before. Because of this, you lose much of that radiation of *sustained* Harmony which you so greatly need and which We are so desirous of anchoring in, through and around you, until We can say to the Beloved Lords of Karma: "Every chela under this Radiation is filled with sustained Grace; is in a state of sustained Harmony and is, therefore, a true representative of Our Beloved Saint Germain. Through that Harmony, each one is able and willing to be a conductor of all the Virtues of the Godhead to mankind".

If you think on and about any of the Divine Beings, you will notice that wonderful Grace in Their nature. In the first place, They never come unless and until They are invited; They do not give advice unless They are asked for it; They leave when you are finished with Their services and They are at hand again when you make conscious call for Their assistance. *These are the Selfless Ones Who give all They are and have, asking no return to Themselves but fervently hoping that Their endeavors will bear some fruit of expanding perfection in this world of form!*

Now, that is what you aspire to! "Keep on keeping on" with

these aspirations until each and every one of you is so filled with sustained Grace that you are really like your Master. Can you think of our Lord Maha Chohan as being anything less than the fullness of Grace in all His service? The Beloved Morya—mighty Being of Fire that He is—is the most grace-full of all the Princes of Heaven. As we have said, the Beloved Saint Germain is so outstanding in His grace-full-ness that, when He moves into a room; when He raises His arms to give a blessing; when those lovely violet eyes flood forth Their gratitude to the chela—every gesture is a manifestation of such Grace—such dignity and such love!

Continue to Aspire to Ascended Master Perfection!

As Our Lord Raphael has said to you recently: "Do not feel that because you are not yet the *full manifestation* of the Virtues of the Sixth Ray (Ministration, Grace and Peace) that you are to feel discouraged in any way. This is simply something to which to aspire—a goal to reach. Since you do wish to be like the Ascended Ones *here and now*—why not let the gracious Spirit of the Sixth Ray flood into, through and around your world and be a benediction to your lifestream? Let it guard and guide you and radiate out through you to bless all the life you contact. In order to so LET this Spirit act to and through you, you must, of course, give that Spirit your conscious and undivided attention for a few moments at about the same time every day—*rhythmically* opening the door of your world (through your attention upon Him) to the inflow of those feelings of Grace which is actual light-essence, *already* God-qualified with the feelings of Grace. *Such feelings* can never be re-qualified by the human. Do you see? Why not reach up and *accept* your daily blessings of Grace in this manner?

Since you know of His Presence, consciously endeavor to make friends with your Angel of Ministration. When you do, you will find yourselves gradually letting go of certain destructive habits which you have had since birth in this embodiment; those habits sometimes going back in your lifestream for perhaps many, many centuries. Then you will begin to come into that New Era in your life of more graceful living, where your Holy Christ Self will be able to expand Itself through you in youth, beauty, honor and dignity.

Beloved Raphael recently has said that the habits and momentums of the ages have become very powerful currents of energy—sometimes really "rivers" of force. However, there is nothing more powerful in this Universe than the God-feelings of Grace and Peace. *The strongest man alive is the man who can hold his*

THE MASTERS OF WISDOM SPEAK

(ON: THE CO-OPERATIVE SERVICE OF THE ANGELIC HOST WITH MANKIND)

MAHA CHOHAN:

There is no Planet in any Universe which has survived and fulfilled Its Divine Destiny without the presence and assistance of the Angelic Host. When the Angelic Host leave a Planet, that Planet is on Its way to dissolution. When the Angelic Host come into closer and closer communication with the evolutions of a Planet, it is a sign to all Who know that a New Golden Age of Perfection is already dawning on the spiritual horizon. That is why the Spiritual Hierarchy of the Earth rejoice at the ever-increasing awareness of the human race as to the existence of the Angels as Real, Intelligent, Co-operative Beings, Who can and Who do (when invited) assist in establishing the Kingdom of Heaven on Earth. Who, better than the Angels, know *what* that Kingdom is? It is Their natural home and Their willingness to create a similar expression of perfection on the Earth is a free-will choice to remain and to assist in the development of that perfection for the benefit and blessing of the race. Please, therefore, send your gratitude *daily* to the Angelic Host and Their Lords, the Archangels, for being so willing to assist mankind in this hour!

EL MORYA:

Obedience to God, the Creator of all good, *is the Nature of the Angelic Host!* Absolute Faith in the "all power" of Their God to render so-called "miracles", *is Their Feeling!* Respect for the free-will choice of the individuals embodying upon the Earth draws Them only to those who can believe in Them, love Them and desire to serve with Them. Their innate courtesy does not allow Them to act in the worlds of those who reject Them. Thus, an increasing awareness of Their Presence and an ever-increasing demand for Their assistance a is very powerful magnet which draws Them close to the people of Earth and, particularly, to those who want to have a conscious contact with Their radiant Presence.

Among his many diversified pursuits, the chela is wise to develop in the consciousness of those who come within the compass of his personal sphere of influence, a consciousness awareness of these (to the human) unseen but powerful Helpers. This can be done most efficaciously when the chela, himself, has accepted *in his own feelings* the existence and Presence of the Angels here.

The development of such a conviction of the Presence and Reality of the Angelic Host can be individually activated in the feelings of the sincere chelas by thinking upon the Angelic Host; inviting Them to assist him; contemplating Their pictures and, generally, *consciously impregnating the outer consciousness* with the Words, Instruction and Radiation of the Angels.

When the chela has proved to himself, without any doubt, that the Angelic Host are *real,* then that chela's aura forms a positive pressure of conviction of the Presence of the Angels into the worlds of those he contacts from time to time. When a chela is doubtful as to the Reality of the Angelic Host, all his endeavors to convince others of lesser light of the Reality of the Angels, will have little effect upon the consciousness of those who are sceptical and unbelieving.

Mankind, enmasse, are swayed mostly by the feelings of those around them. Therefore, in 1958, We ask you to make the Angelic Host your daily Companions and thus—through your feelings of Their Reality—you will do much to help in re-establishing the spiritual partnership between the Angelic Host and mankind. TRY! *Not through effort of human will*—but by the very pleasant exercise of practicing, through your own thoughts and feelings, the acceptance of these Angelic Beings so that They may come into your auras, homes, worlds and affairs. Thus you serve the Ascended Master Saint Germain, Whose assignment is the uniting of the Kingdoms of Angels and of men in this New Golden Age Which He is destined to externalize.

KUTHUMI:

Angels are, primarily, Beings of *feeling!* Therefore, intellectual accretion (even of spiritual knowledge) does not magnetize Their Presence. They are drawn by the sweet essence of Love, which is emanated from the *heart* of man. As Angels do not cognize form, it is not the empty shell of thought creations but rather the perfume, color and Virtue of God-feelings which magnetize Them. Thus, when a Planet (still in form) ceases to radiate Love, the Angels recede! When a Planet, together with Its evolutions, learns to radiate Love, the Angels come ever closer into association with the evolutions thereof, thus creating the co-operation so much desired to enable Perfection to be expressed upon that Planet.

The "Open Door" through which They come into the atmos-

phere of any Planet is the feeling released therefrom of Love for God, the Universal "I Am" Presence and for the Angels Themselves. If it were not for the direction of the Great Archangels and the Archii (Twin-Flames of the Archangels), together with the Love of Sanat Kumara and Those Who cognized the Angelic Host upon the Earth through the ages (since the Angelic Host were repudiated by the masses of the people), the Angels should have long since returned to Their Heavenly Home. Then the Earth Itself eventually would have ceased to be and Her evolutions would have been thus deprived of a planetary home upon which to fulfill their Divine Plan.

Learning of the Nature of the Angelic Host, accepting Their help, serving with Them consciously in love, is the assignment of every sincere chela of the Ascended Host for the year 1958! They are powerful Allies! They are essential Beings in the redemptive processes now going on in Earth's atmosphere and We cannot urge you too strongly to help Us in expanding the acceptance of Their Presence as part of the Earth's redemptive process at this time!

PAUL (THE VENETIAN MASTER):

Why is the Angelic Host such an essential part of the sustenance of a planetary evolution? Because They embody the Virtues of God, Himself. They keep alive radiating centers of these Virtues in the lower atmosphere of Earth and these Virtues kindle the spiritual centers in the hearts of men. Were the Angelic Host to remove these radiating centers of God Virtue, man would have only the effluvia of human discord to feed upon. Soon such a "diet" would cause spiritual starvation and the ultimate removal of man from the Planet; as well as Earth's actual dissolution as a schoolroom of spiritual development.

The Angelic Host are really "Cosmic Incubators" for the dormant Virtues in the mankind of Earth, as well as the stimulators of the development, through self—conscious endeavor, of those Virtues through the people of Earth. Through the rip-tides of human creation, the Angels' flashing colors shine brightly—Their Virtue "flows out from Them" as did the Virtue of God flow forth from Beloved Jesus, Himself. As We on the Third Ray are particularly interested in helping man to externalize his potential Divinity, We are also extremely grateful for the constant, patient, loving Presence of the Angelic Host Who assist Us in this endeavor.

SERAPIS BEY:

The Seraphim, as Messengers of God and His Divine Court, play an important part in the redemption of the Earth and Its

evolutions, because They bring to those alert enough to accept Their Messages, the directions from "on high". The Seraphim are not concerned with the acceptance of Their Messages by human kind, but the beloved Archangel Michael, as Prince of the Heavenly Host, is particularly concerned with the *reception* of the Seraphic Beings by those qualified to receive Them. He it is Who protects earnest and sincere individuals from acceptance of imposters in the Realm of the "unseen," who pose as Angelic Messengers. These sometimes lead the credulous but indiscriminate to accept "messages" proporting to come from the Divine Realms but which in reality come from unascended beings, elementals and capricious spirits in the "unseen" Realm who desire to have "sport" with mankind.

Whenever such a "visitation" takes place, the earnest chela, calling to Lord Michael, will have instant relief from the lesser spirits in the "unseen" Realm who desire to have "sport" with man- the protection and support of the true Angelic Host. Discrimination upon the part of the spiritual pioneer is essential to progress. However, where such discrimination is not yet present, Lord Michael gives the protection of His entire Kingdom to the individual whose motive is right, but whose discriminating faculties are not yet developed to a point wherein he can cognize the True Messengers of Light.

While walking the *narrow* Path that leads upward into a lasting association with the Cosmic Beings, Ascended Masters, Angelic Host, Seraphim and Cherubim, wise is he who asks for the protection of Lord Michael and His Legions against any seen or "unseen" power which seeks expression through him. Such an invitation to Lord Michael brings instantaneous results. Many hesitate to make such an invitation because they enjoy their temporary "prestige" as a channel for these powers which awe their fellowman. However, the chela with a sincere motive to promote the development of the Kingdom of Angels and men will not hesitate to invoke the Light of Lord Michael into any and all such experiences. If they are of God, they will endure. If they are not of God, they will pass away.

HILARION:

The Angelic Host have not been considered as a scientific element by many sincere devotees. Yet that is Their actual service to life, because They raise the quality of energy wherever They are present. No two qualities of energy can exist at the same place, or in the same consciousness, at the same time. Therefore, from a purely scientific point of view, the Angelic Host are mighty power in the redemption of mis-qualified energy. Why? Because

the radiation of Their auras is positive, constructive, uplifting, pure and perfect. When that radiation infiltrates the atmosphere of the Planet and Her evolutions, it changes the quality of energy of the entire race, bringing all into harmony and peace. The Angelic Host have full mastery over the qualification of energy. Mankind is upon this Earth to learn such Mastery. Are there any better Teachers than those Who have already expressed that Mastery? I think not! If you are not able to successfully qualify your own energy constructively, the Angelic Host will help you to do so by offering the proximity of Their Presence to you and the full pressure of Their auras will raise your own energies *scientifically* into a constructive, happy radiation. Try! You have nothing to lose but the discordant feelings which bind you and everything to gain by the acceptance of the constructive feelings which give you peace and harmony and all the attendant blessings that will fill your worlds when such peace and harmony are sustained.

The Angels Who serve under the Archangels of the Seven Rays have particular positive gifts of radiation which They offer to you. Experiment with inviting Them to help you to *feel* those gifts and prove for yourselves how powerful an influence for good the Angelic Host can be in your lives. When you have proved this for yourself, you are then in a position to convey the results of your personal research and attendant Mastery to others. Your own conviction will be the strongest "persuader" in your mission to promote the existence of the Angelic Host to your fellowman.

JESUS:

I had a constant association with the Angelic Host during My Ministry and I can honestly say I would not have been able to successfully fulfill My Mission without Their assistance, protection and fellow-ship. I am eternally grateful both to My Mother and to My Father for Their belief in and acceptance of the Angelic Host, so that My consciousness was nourished always by the acceptance of the Reality of the Members of this Glorious Kingdom. Poor in spirit is the man who has neither *belief in* nor *association with* the Angelic Host.

You who follow Me will do well to accept the Angelic Host as your Helpers for, *whatsoever mission* the Heavenly Father sends you upon, you will require the sustaining power of the Angelic Host to fulfill that mission successfully. Even though I was born without personal karma, the tremedous blanket of human creation which enshrouded the Planet at that time was a weight so heavy that I required the buoyancy of the Angelic Host to be able to

hold Myself *above* this human creation in thought and feeling. The auras of the Angelic Host truly created a protective wall of Light around Me and enabled Me to hold fast to the contact with My Heavenly Father and My Guru (Lord Maitreya), even during the times of greatest trial and personal persecution. These same Beings will so assist you, *if you will invite Them so to do!* In 1958, *please endeavor* to cultivate a joyous realization of the Angelic Host and Their earnest desire to assist you in the performance of every constructive activity. You will be delighted at Their response and enriched in soul and spirit by the proximity of Their Presence.

SAINT GERMAIN:

As all students know, the New Golden Age will combine the assistance of the Angelic, human and Elemental kingdoms. We are, therefore, so grateful to *every* religious channel which has brought to the minds of man a greater knowledge and understanding of the Angels' service. We are extremely grateful that the bridge between the Angelic Kingdom and that of mankind grows steadily wider and that more and more of the Angelic Host are crossing that bridge into the worlds of those still unascended who can accept Them. This is of great inner significance to Those Who hold the Earth's Divine Plan in mind and heart and spirit. The Angelic Host are particularly helpful in the performing of ceremonies that raise the vibratory action of the emotional, mental, etheric and physical consciousness of the race. When the Angelic Host and mankind can *consciously* participate in such ceremonials, your hearts will be delighted at the beauty and perfection of the worship of the New Day. Some attempts have already been made to effect such a cooperative ceremony and, as the chelas understand the nature of the Angels and Their specific services, these ceremonies will be much more efficacious. Thus Our gratitude does flow to all who have enabled Us to present to the consciousness of mankind the particular gifts of the Angels of the Seven Rays.

I anticipate a great mass awakening to the Reality of the Angelic Host in 1958. The Beloved Archangel Gabriel, assigned by the New Lord of the World to be one of the Sponsors for 1958, will be of inestimable value in stimulating this endeavor. You, too, as you study all available information already presented about the Offices, Services, Virtues and Gifts of the Angelic Host, will be qualified to assist Lord Gabriel in His service. Blessings of God success, beloved chelas, upon your earnest endeavors to better know and consciously associate with the Angelic Host! These endeavors are the Open Door to Their Presence in your midst!

With you, I am anticipating a glorious New Day when Angels will again walk and talk with the people of Earth. *God hasten that Day!*

BELOVED ARCHANGEL URIEL—(*Continued from page* 11)

peace in the face of every aggravation and the weakest one is he who cannot hold that peace! So, never let it be said in your presence that a peaceful person is a weak one. *Not a lethargic type,* but a truly peaceful individual (like Gandhi, for instance) is a power for God in this physical appearance world.

Jesus Christ was a most peaceful Man and yet He was a power indeed— stronger than all the human appearances around Him—even that of so-called "death". Do you think for one moment that our Beloved Jesus came by that peaceful control of energy just automatically? No! Beloved ones—every instant from the time of His conception by the Beloved Mary did His Mother and Father *consciously hold* around His form the vibrations of Cosmic Christ Peace. Then, when He later became cognizant of His Own Individualization in the body of Jesus, He was also trained to sustain that peace by Beloved Mary, Joseph, the Ascended Host and, particularly by the Angels. Do you think He could have walked through the multitudes untouched by their doubts, fears and general distresses; do you think He could have raised Lazarus from the so-called "dead"; make the blind to see; heal the lepers and continue to keep His devoted and well-meaning (but not always understanding!) disciples united enough in purpose to form the heart-center of the Christian Dispensation—had He not had a strength which was greater than any human appearance—even "death" itself?

Jesus could not have walked up the hill of Crucifixion had He lost His feeling of peace; had He allowed the hysteria of the mob and even of his own followers to frighten or affect Him in any way. He could not have manifested the mastery on Golgotha's Hill, nor the resurrection of His outer form on Easter morning; nor the victory of His public Ascension later—had He lost His peace, *even for one moment!* Both Mary and John gave Him great assistance, of course, but *He had to hold that peace within Himself*—peace in His emotions, mind, etheric body and even in His flesh! IF ONE HAS DONE IT—ALL CAN DO IT! What He has done— YOU CAN DO ALSO!

Ministering Angel—A Practical Friend

Sometimes the tensions and pressures of the human—serving in this appearance world—even in Divine service, are such that one wearies a little of the "sameness" of activity—sometimes you even weary a little in well-doing. However, I venture to say that, were any of you in this room temporarily to be freed completely from the physical appearance world for about forty-eight hours and then were asked if you would care to come back and finish your task, you would most joyously do so. Often, when serving begins to pall upon an individual, it is just a good rest and "change of scenery" that is necessary to allow the outer self to re-gain its balance of energy and, in re-consecration by the Beloved Raphael, return to his service with renewed enthusiasm!

Remember! you have a personal Ministering Angel Who has been with you for many centuries. By your call to Him, let now this Ministering Angel daily anoint all your four lower vehicles with *His substance and feelings* of Divine Love, Light and Grace—thus helping you to hold sustained peace—regardless of any human appearances or aggravations. Give Him your undivided attention for just a few moments each day—during that time consciously accepting into your feelings the help He wishes to give you.

Thank you for being constant in service thus far and for loving Us. From the Elohim of Peace, Donna Grace and Myself, the benedictions of Our hearts' love!

From an Address by

BELOVED ARCHANGEL ZADKIEL

Sept. 28, 1957

I am Zadkiel, High Priest of the Order of the Violet Fire—that Sacred Fire which is given into your use through the mercy and compassion of Almighty God—your Creator. Today We are intensifying the purifying, forgiving and freeing activities of that Violet Fire *on a Planetary* scale.

The Beloved Polaris and Magnus (the Light Rays from Whose hearts form the actual axis of the Planet Itself) have projected and are sustaining up, in, through and around the Earth (from the very axis itself) the most powerful concentrate of Violet Fire which has yet come forth to the Earth from the heart of the physical Sun. This Cosmic intensification of the Violet Fire is under the direction of the Great Arcturus and His Twin-flame Diana and this activity shall continue to expand and expand through the very substance of the Earth Itself, through the water element and through the air; then through the physical, etheric, mental and

emotional bodies of all mankind, as well as through all Earth's evolutions still unascended. Thus is drawn that magnificent forgiving, freeing power of the Sacred Fire which transmutes discordantly qualified energy into light! I ask you to prepare yourselves daily for this greater purification by remaining as much as possible within that Violet Fire, repeating often your decree which calls on the Law of Forgiveness for every impurity, error and obstruction which you have ever imposed upon life, or that some part of life seemingly has imposed upon you.

Let that Violet Fire blaze up, in, through and around your physical body, your etheric, mental and emotional too (especially through your brain structure), commanding it to transmute the hard and unforgiving thoughts and feelings in your etheric, mental and emotional bodies. These "hard" feelings, incidentally, are the causes and cores of most of your distresses. Then let these be replaced by grateful, joyous receptive feelings which open your world to the goodness of God and make you a mighty magnet to draw to you all the good God wants you to have—all the good you knew and had with Him in the beginning—before the world was! Then shall the feelings of gratitude to the Father for these gifts so flood your world that you will be able to more quickly outpicture the very Spirit of the Third Person of the Trinity (The Holy Spirit), represented to this Planet by the Mighty Being Whom you know and love as our Lord Maha Chohan.

Activities of Violet Fire Vary in Different Spheres

Beloved ones, as We have told you, all the activities of the Violet Fire are not identical in every Sphere. This has aroused a little curiosity in the minds of the "reserach" members of Our Activity, so I shall endeavor to explain.

In any Realm where no imperfection exists, the Violet Fire is utilized by Cosmic Beings, Ascended Masters and the Angelic Host, *to etherealize a form which has served its purpose for being.* For instance, let us take the First Sphere which is the natural habitat of the Archangel Michael, Beloved Morya and Hercules—into which ideas of the Godhead first flow. The Beings of the Blue Ray are in constant busy service there, endeavoring to utilize those ideas for the ever-expanding blessings of God to man.

Each of those ideas has a heart-center, which represents the magnetic power of the Immortal Three-fold Flame of Eternal Truth which abides within your physical heart and renders that service of cohesion to you.

Later, around those ideas the Beings of the Second Ray coalesce the form thereof. These ideas are tremendous in their scope and there is no human mind which can describe them! However, if

the Great Beings in the First Sphere, by looking at the Cosmic Screen (not only for this Planet Earth but for all this entire Solar System), see that those particular ideas cannot be efficaciously used at that time, what do They do? These great Beings then invoke and project the Violet Ray into that idea and, by the activity of Etherealization, They release the substance within and around that form, letting it return to the Universal from whence it came, to be used again in the future for some other purpose and form. The conservation of energy in Heaven's Realm is most magnificent indeed! Even in the Realms of Light—no Perfected Being would ever hold in form any substance (which is really the body of God!) *after* it has served its purpose and has completed its course of manifestation.

Etherealization through the conscious use of the Violet Fire is well known on all the Planets of this System and was used here on Earth by your own dear selves *before* you forgot the way back "Home". At the completion of a designated life-span, Etherealization is the way and means by which the people of Venus, through conscious endeavor, transmute into light (leaving no residue behind) the physical vehicles in which lifestreams have functioned. Conscious Etherealization can be used by any man, woman or child on this Planet Earth who will consciously, lovingly and gratefully call forth the Violet Flame, because Etherealization is one of the gifts of that beneficent Friend to life!

God-given Free-will Always Paramount

Now, let Me hold your attention for a moment upon the difference in activity between the Ray and the Flame. When Self-conscious Intelligence within Itself wills to create, Its first activity is to send forth a Ray. The length of that Ray; the strength of It; the sustaining power of It—all of these are determined by the service that Ray is to render and the place to which It is to go. Because *the nature of all fire is always to rise,* when that Ray reaches Its destination, It instantly bursts into living, rising Flame as It returns to Its Source, in order to complete the cycle of Its existence. (The Law of Life is a circle, as you know, and all eventually returns to its Source!) So, first you have THE RAY; then you have THE FLAME! Now, let Us make this as simple as We can . . . . .

When your God-parents in love desired to create each and every one of you, what did They do first? They sent forth a Light Ray from Their Own hearts into Universal light-substance, at the termination of which was formed the Immortal Three-fold Flame of Eternal Truth, *within which abides the* REAL YOU! That Ray was not too long in the beginning, because the God-parents

desired to keep you within the compass of Their Own auras for a time. Then Universal light substance coalesced around that Immortal Three-fold Flame and the White Fire Being came into existence. As soon as the intelligence within the White Fire Being cognized Itself as an individualized part of the God-life of the Universe, that instant It was given free-will choice as to whether or not It would continue as an individualized part of the Creator, drawing more of His energy into that Immortal Three-fold Flame within Its heart, which would enable It to create as the Father creates. Cognizing Itself as "I AM", the Immortal Three-fold Flame in the White Fire Being, through the exercise of Its God-given free-will, *could refuse* self-conscious individualization. If it did so, that Three-fold Flame then was drawn back by the God-parents into Their Own hearts. (I believe this has never been explained to you before.)

So, let no one ever tell you, beloved ones, that you have conscious being regardless of your own desire or will—or that you had being, even at Cosmic Levels, (before you took any physical embodiment) *without the assent of your own free-will!* For every individualized White Fire Being (Cosmic "I AM" Presence) Who accepted the responsibility of being a co-Creator with the Father, there were at least a dozen or more Who chose to return to the Universal, because it was more comfortable just to remain a part of the whole, rather than to take the personal responsibility of individualization and the use of life's energies. Therefore, you have the Ray from the heart of the God-parents, at the termination of which arises the Immortal Three-fold Flame, and you have the self-conscious Intelligence within that Flame, cognizant of Its Own being, making Its first choice as to whether to become a co-Creator, or to return into the heart of the God-parents from whence It came.

The use of this same principle of free-will continues on through the division of the White Fire Being into the Twin-flames. Perhaps one Twin-flame will choose to associate Itself with the Beings in the First Sphere and the other may go on to the Second or Third Sphere—each having as much freedom and opportunity as he desires to draw from the Cosmic Ray of His God-parents whatever He requires to fulfill His Divine Plan. . . . . .

(*Concluded in Feb. 1958 issue*)
